LANNY'S LAST MEAL

I waited in my solitary cell and hoped for a miracle. A call from the governor was my last chance. He was the only one who could save my life.

Would I be so fortunate? I certainly hoped so. But the odds were against it. My luck had been awful ever since I had been falsely accused of murdering my husband.

For the record, I didn't do it. I was framed by Kip, my louse of a stepson. The little cretin had gone ballistic when he had found out that his wealthy father was leaving me everything—the palatial mansion, the multi-million dollar business, the yacht, the stable of thoroughbred horses.

Should something happen to me, my husband's will stipulated, then Kip would inherit all of the above. Well, something had happened to me alright! I lost my husband, my freedom, and now it was looking like I was going to lose my life!

Kip was one smooth operator. He had framed me perfectly. The carefully planted evidence proved insurmountable. Not even my hotshot attorney was able to convince the jury of my innocence.

Now, my final appeal exhausted, I sat there on my lumpy bed and peered at the cold concrete floor. I was to be executed tomorrow. After this evening's meal—the proverbial “last meal” granted to condemned prisoners—I was in for a long night; sleep was out of the question.

Footsteps sounded in the corridor outside. That would be Cliff, my favorite guard, bringing my food. A nice guy, Cliff; and most easy on the eyes. There was no telling how many times I had masturbated while fantasizing about Cliff.

The savory aroma of fried catfish—my all-time favorite—intensified as his footsteps became louder. The rattle of keys heralded his entrance. “Dinner is served,” Cliff announced with a sympathetic smile.

in a pickle

I'm in a real 'predickament'—pun intended. My wife, Carrie, discovered I have a girlfriend, Danielle. What totally surprised me is that she's okay with it, on one condition. I can continue to fuck Danielle if Carrie can fuck her too. In my mind I was okay with that but in reality, I love my wife enough not to want to lose her. But right now, my little head is more powerful than my big head.

In order to get this done, I invite Danielle over for dinner, not telling her Carrie would be home. When she arrived, she was a little surprised to see her there. Over dinner we talked about

He placed the tray atop a small slab of plastic bolted to the wall, the saddest excuse for a table I'd ever seen. “Just like you ordered, Lanny,” he told me. “Fried catfish fillets, French fries, hush-puppies, and slaw.”

“Thanks, Cliff. It smells great.”

“Don't thank me. I can't even make a decent bowl of cereal. This is compliments of the chef. As you can see,” he continued, “Ray went the extra mile . . .”

Cliff was a sweetheart, sticking around while I picked at my food so that I wouldn't have to eat my last meal alone. We made small talk, both of us keeping the conversation light as we tried to ignore my impending execution.

“Will I see you tomorrow?” I asked, pushing my tray aside.

The discomfort on his face said it all. No, he wouldn't see me tomorrow. He finally told me that he had the day off and left it at that. No use making a sad scenario even sadder. This was it for us, the last time we would ever see each other.

It was utter desperation on my part, I knew, the fear of being alone on my final night on this earth; this comingled with the strongest sexual desire I had ever felt.

This is it, I told myself. I would never have another opportunity to be with a man. Maybe he would be into it, maybe not. But I had to try. Cliff didn't need much convincing to see things my way. He was all for it; especially after I removed the red jumpsuit and discarded my no frills institutional bra and panties. I stood there before him, utterly exposed, meeting his hungry gaze head on.

“I've wanted you for a long time,” I told him. “You were nice to me from day one.”

Cliff unzipped his brown workpants and freed his cock. Already hard, he proceeded to stroke himself slowly. The stool bolted to the floor was cold as ice on my bare bum, but it wasn't long before I heated up. Of course my hand had a lot to do with this. Watching Cliff

jerk his prick, I had commenced to rubbing my pussy.

Sitting there with my legs spread, my fingers delving deeply into my wet cleft, Last thing I wanted was to arouse the suspicion of another guard; this would put the kibosh on our fun and get Cliff in big trouble, even fired.

Right hand pumping between my thighs, I raised my left and went to work on my tits. Caressing the soft mounds, twisting and pinching turgid nipples, I shivered delightedly. Cliff continued to prime himself. His cock swelled. I wanted him in my mouth.

"Get over here," I demanded breathily, the reversal of our roles not lost on me, "and fuck my face."

Cliff stood before me. An eager grin creasing his features, he held my head with both hands and shoved his dick in my mouth. I felt his glans press against the back of my throat. Still, I managed to suppress my gag reflex. This was an old trick I had learned years ago, an absolute necessity if one wanted to enjoy a good and proper face fucking.

Cliff, no doubt amazed by my insatiable appetite, thrust his schlong repeatedly. I had cleaned my plate earlier, sure; yet here I sat inhaling every inch of his manhood. Last meal, I thought with increasing excitement. I intended to get my fill, devouring each and every course.

I kept right on masturbating as he tapped my tonsils, manipulating my clit with deft fingers, getting wetter and wetter until I couldn't stand it any longer. I loved having Cliff's cock in my mouth. Still, my pussy was in need of some serious attention. And not the kind provided by my hand. Oh no. I was dying for a thorough pounding the likes of which I had never experienced. Judging from the size of Cliff's cock, he was the right man for the job.

Grabbing hold of his hips with both hands, I pushed him away. Drool leaked from my mouth as I gasped for air. Cliff just stood there, my saliva dripping from his shiny manhood. It took almost a full minute for me to recover. Cliff endured the interval with admirable patience; he needed to recoup his strength as well.

the tryst and they both were into it. I was already hard before we left the table. Then, in the living room, right before my eyes, the girls put on a show, stripping each other down to nothing and using their eager hands and mouths on each other's breasts. Although they slapped away my first attempts to help, they soon couldn't resist bringing me into the action.

They stopped, looked at me, and began peeling me out of my clothes and caressing their hands over my stiff cock. Working together, they deliver a warm wet blowjob where they take turns licking and sucking my erection. Now that Danielle and Carrie have gotten me warmed up, it's time for them to start taking their pleasure. Danielle

Finally I got off the stool and told him to take my place. "Sit. I want to ride that big cock of yours."

"Sounds like a great idea," Cliff said, lowering his ass to the stool. "You kept it nice and warm for me."

"Anything," I replied.

Then I straddled him. Gripping his shaft with one hand, I lowered my hips and slid him inside me. I felt his hot breath on my tits as I rode him. Clenching him with my pussy, I worked my hips tirelessly, bucking and grinding like a slutty rodeo queen. I had always loved the cowgirl position, having perfected it in college where I had earned the moniker "Loose Laney."

College, I mused dreamily. It seemed a lifetime ago. But it was just a few years. So much had happened since then. Good and bad. Mostly bad.

Pushing my maudlin thoughts aside, I focused on the task at hand. I rode Cliff harder than ever. Then, itching to fuck him reverse cowgirl style, I raised my hips and turned around. Cliff cupped my tits as I repositioned myself. Grabbing his cock as I had done before, I started to lower my hips.

The head of his cock was less than an inch from my hungry pussy lips when we were interrupted by an unexpected visitor. Cliff and I stiffened at the same time. I actually gasped with surprise.

Framed in the doorway, Ray stood just inside my cell. The prison chef regarded us with a bemused smile.

"You forgot her dessert," Ray said, holding up a small plate topped with a slice of pie.

Cliff was speechless. I was too. But not Ray. She walked right on in, easy as you please, and made herself at home. "Looks like I'm just in time for the party . . ."

Prior to my incarceration I had never been with another woman; not even during my wild college years. Hesitant at first, I had quickly learned to love my girl/girl encounters. Women were much better at eating pussy than men. And they were better kissers, too.

Of course I had never been with Ray. My experiences were limited to trysts with fellow prisoners. But this was about to change. And

I couldn't have been happier, especially after she set down the pie and removed her top and bra. Hers were nice tits, big and white with dark brown areola and turgid nipples begging to be sucked. Still sitting in Cliff's lap, I heard him sigh over my shoulder as he eyed them lustily.

Ray dispensed with her baggy chef's pants. Then she stepped out of her panties and sat on the tiny table where she had

placed the pie. I licked my lips as she spread her legs and said, "The catfish—well, honey, that was just an appetizer. My cunt is the main course. Your last meal, Lanny, so come and get it."

I didn't tarry, not one damned bit. The catfish had been tasty, sure, but my appetite was far from sated. I knelt beside the table and thrust my face between Ray's sturdy thighs. A dark landing strip matched

the hair on her head, the wiry pubes scratching my chin as I serviced her with my tongue.

I licked her slippery slit three or four times before focusing on her clit. Ray writhed as I sucked the swollen bud, writhed and urged me onward with a litany of filthy banter.

"Yeah, Lanny, just like that . . . eat my dirty clit, baby . . . make that pussy come . . ."

Her words had the desired effect; it wasn't long before Ray was skirting the edge of a powerful orgasm. And Cliff, no longer content to just sit on the stool and watch, had gotten up to join the fray.

He stood beside me and stroked his cock. At least until Ray took over, giving his hand a much needed break. Pumping his pecker, she used her other hand to rub her clit as I had

mounts my cock first while Carrie positions herself above my mouth so I can use my tongue and teeth to pleasure her.

Then the girls switch positions so that Carrie can impale herself on me while I go down on Danielle's bald pussy. The pleasure grows for Carrie as Danielle pulls at her hair and I'm thrusting in and out of her sopping wet snatch.

Changing things up, Danielle lies down on the couch with Carrie on top of her in perfect pussy licking position. I take advantage, alternating between pressing my cock into Danielle's eager mouth and Carrie's warm, wet pussy. Soon the girls can no longer hang on and neither can I. Boom. Boom. Boom. Three loud climaxes.

migrated south.

I worked her over with my tongue, poking and prodding and licking her asshole. The rimjob drove Ray wild; her breathing became ragged, her writhing more spastic. She tugged Cliff's cock faster and faster, determined to make it explode like a stick of dynamite.

I heard rather than saw his orgasm.

Cliff unleashed a telltale grunt as Ray purged his balls of jizz; this before I withdrew my tongue and supplanted it with three fingers. Her backdoor made a raunchy sucking sound as I pumped my digits with increasing speed. I licked my lips, savoring the unmistakable flavor profile of pussy and ass.

Some last meal!

The governor would have been appalled. Well, I thought, fuck the governor. If he couldn't find it in his heart to grant me—

"What in the hell."

The baritone voice nearly gave me a heart attack. My concentration shattered, I turned to see Warden Norris entering my cell. The expression on his face was priceless; he looked like he had just come home from work to find Bigfoot moving his lawn.

"Sorry to interrupt," the warden said, his face flush with embarrassment, "but I've got some good news."

Boy, did he ever!

Not only had the governor granted a stay of execution, but my louse of a stepson had come forward and confessed his role in the frame job. A guilty conscience had gotten the better of Kip. I was astonished.

Tomorrow morning, Norris explained, my lawyer was coming to the prison to sort out the details of my release.

"Release?"

"That's right, Lanny." Norris smiled. "You're going home."

One of the first things I did as a free citizen was write this story. Sorry if the title is misleading. I have yet to eat my last meal.

In fact, Ray and I started dating shortly after my release. Three months and counting. Having a sexy chef for a girlfriend is quite fantastic.

My appetite has never been better!

A full-page photograph of Jane Wilde in a bedroom. She is wearing a black lace bra and matching high-cut bottoms, holding onto a wooden beam above her head with both hands. Her long dark hair is styled in waves, and she is looking towards the camera with a slight smile. The room is dimly lit with warm, golden light from a lamp on the right, which has a patterned shade. A bed with white and gold patterned pillows is visible in the background.

Jane loves showing off her drop dead gorgeous body. Anytime she's at home there isn't a mundane piece of clothing on her body. BLAIR-NTS-09

It was hot at the fair – and then it got even hotter at the fair.

a summer romance

The Ohio State Fair started last weekend and I'm working one of the carnival rides on the midway. It's the end of July and the heat and humidity are high. And damn, there are a lot of people here. They told me last year almost hit one million visitor. That's larger than Columbus itself.

I'm having lunch in one of the indoor venues to get out of the heat. Nothing special, just a corn dog, some chips and a soda. I have a view of the whole area and I noticed a pretty woman sitting almost directly in front of me but closer to the door.

She was all alone and maybe in her early to mid-twenties. She had blonde hair with just a few strands hanging over silver framed glasses. She was wearing a short pleated blue skirt and a t-shirt she had tied into a knot above her waist. The t-shirt logo identified her as a hostess from one of the restaurants here at the fair. She must have been on her lunch too. A moment after my food arrived, I had to use the rest room. I finished, washed my hands and dampened my face and headed out the rest room door. After I got back to my table I was surprised to see that she was sitting there munching on my chips. My heart started pounding out of control. My face seemed to feel like it was flushing and my skin was getting clammy.

She was a stunner. Big blue eyes, full chest pushing against her t-shirt and tanned skin. She looked at me and ask if I was going to sit or just stand there all day. She said its your table and all. So once I sat back down she asked me why I was staring at her. I told her I was sorry but her beauty was so compelling that I could not help myself and control became harder the more I looked. She then told me she had to make a confession that she

had noticed me at my ride station because the restaurant she worked at was only two buildings away.

We talked a little more comparing Fair notes. She nibbled on more chips and suddenly she said she was feeling a little weird so she decided to go get some fresh air. I asked if she was okay and if I should go with her. She said that would be nice and I paid my tab as we passed the front door. We walked for a short way when she saw some picnic tables set under a large canvas canopy. We walked to the one farthest back because it was under a large tree too, and it would be cooler. I had brought a wet nap with me and she took it and put it on her forehead.

Then she said she didn't want to keep me because I was probably due

gently as I made my way up her arm I reached her shoulder and started rubbing the base of her neck. That was when squeezed even harder on the inner part of my thigh as she closed her eyes and sighed with pleasure. She then started found my cock and started rubbing it over my pants. I could not believe this was happening. I ran my fingers up the back of her neck through her hair. I grabbed a hand full of her hair and gave it slight pull, she moaned a little bit more and rubbed a little bit harder.

That was when we just got into it as if we were in a frenzy. She grabbed my face and we started kissing each other rather sloppily, tongues exploring each other's mouth while my cock was getting harder and harder. My pants were getting tighter by the min-

back at my station. I told her not to worry I had another hour before my shift began. We're sitting next to each other facing the empty lot full of tables and next thing I know I felt her hand rubbing the top of my leg and squeezing my upper thigh. I started caressing her other arm very

ute. That was when she unbuttoned and unzipped my pants and pushed me down on the bench of the picnic table. So once I was down, she pulled my pants down just enough to make sure my cock was exposed enough for her. She started by grabbing my cock with one hand and stroking it with a

firm hand. She looked at me from behind her slender glasses and licked her lips.

Looking around to be sure no one was coming, she lowered her head, put her mouth around my cock. She got into a momentum that was amazing. She then stuck her tongue out and took my cock right down her throat and her tongue touched my balls as she held them in her hand, she then licked my balls. I thought I was going to empty a load directly into her stomach, but she pulled my cock out of her mouth and pushed it up towards my chest to make my balls and ass more available. She then started licking my balls and sucking on them one at a time, then both all while stroking my cock. Then I felt her warm tongue touch my ass hole. I would have never thought that I would like it, but at this precise moment it felt totally and utterly amazing to me.

She continued licking my ass to my balls for a minute or more, then continued back up my cock licking it up to the tip. This continued for a few more minutes when I made her change places with me. I had her bend over so I could run my hands up the outside of her legs up to her thighs and up under t-shirt. She wasn't wearing a bra so my hands and fingers went unobstructed right to her nipples. I cupped her full, firm boobs for a moment and then reached down and pulled her cotton panties down to her knees.

I gently bit one of her ass cheeks, then the other, groping them with each bite and spreading her ass cheeks to show her pussy and ass hole. I started rubbing her clit with my thumb as I was licking that spot between her ass hole and pussy. I then slowly started licking her pussy pulling each lip out and sucking them while still rubbing her clit. I then took a finger and slowly pushed it in her ass she moaned with pleasure. I returned the favor by dropping a little spit on her asshole and licked it off.

I was finger fucking her pussy, going from one to two to three fingers as she moaned louder with each additional finger. After a few minutes, I rolled her over on the bench seat, raised her legs and removed her panties. Then I pushed her t-shirt above her breasts to expose her perfect boobs. I cupped her boobs and started sucking on her nipples, pinching each one in turn until her nipples were just as erect as my cock. I then straddled her and she wrapped her boobs around my cock and fucked her boobs for a couple of minutes while the tip of my cock entered her mouth. I then move back down to her beautiful legs still in her sneakers.

I spread her legs wider and put the tip of my cock at the opening of her smooth pussy and slowly pushed it into her making her scream into her arm trying not to make too much noise. "Deeper. Put it in deeper." she whispered, moaning with every slam into her pelvis. With every thrust she would get closer to orgasm, rock-

orgasm, then another. They just kept cumming.

I reached for her boobs, slammed my cock even harder into her until she couldn't take anymore. At that moment my balls were so full I was ready to blow my load. I started grunting as if I was going to explode and she pulled me out of her pussy and took my cock in her mouth and started sucking it like crazy. When I was about shoot, she stuck one of her fingers at the outside of my ass hole and pushed it further and further in until I felt her knuckle bottom out.

That's when I shot my load into her mouth and she kept sucking and fingering my ass until she got every drop out of me. And just when I thought she was done, she sucked my cock like a straw and pulled what ever cum I had in my balls out. I felt my toes curl and my ass pucker around her finger. Once I relaxed she pulled back and released my cock from her mouth and pulled her finger from my ass.

ing harder on my cock and then she tightened up. I felt her pussy squeeze my cock and her fingers digging into my ass as she climaxed. She then rolled over on the bench and told me to fuck her from behind. So I rammed my hard cock deep inside her pussy smacking my balls off her clit. She moaned as she had another

She wiped her mouth and we both got dressed. We exchanged numbers and have been having lunch together every day, although we've only had sex two more times in hidden corners of the Fair. I think it's time to find out if she'll see me after the Fair is done. If she does, I may just have to try to tap her delicious booty!
